Question - Graveyard Allowance - Update 1

Hi all,

How much is the minimum amount a company need to pay for the night allowance if the worker work at night?

Is it mandatory to pay?

Lynda

Behavioural & Competency-Based Interviewing Skills Workshop

- 27 & 28 January 2016 (CONFIRMED)

The first quality control checkpoint in ensuring an organisation has the right people in the right quantity and quality at the right place and the right time starts with hiring.

This can be put in place by having a standard methodology of hiring: recruiting, interviewing and selecting candidates.

As hiring has an impact on an organisation's brand name and business performance, it is important that interviewers are equipped with the appropriate skills and decorum when interacting with candidates.
