Key Employment Terms & Other EA Changes

Most of us are already aware that from 1 April this year, the following amendments to the Employment Act in Singapore take effect:

1. Itemised payslips for employees together with their salaries.
2. Key employment terms in writing for full-time staff.
3. Detailed employee records of employees

For more information about the specifics of Key Employment terms, please visit the [MOM website](#).

In addition, the other changes are:

1. Infringements to act which are considered less serious could be treated as civil rather than criminal offences.
2. There is a one-year grace period for companies to comply with these amendments.
