Question - Sales Staff Transport Allowance - Update 1

Our sales staff is complaining their transport allowance is not enough due to high cost, would like to check what is the current practice amount in the market?

Thanks

Ty

HRLAW™ Indonesia Seminar

- 14 January 2016 (19th Run)

Indonesia is rich in resources and has the largest Muslim population in the world with about 250 million people creating a huge domestic market. These 2 factors will enable it to compete successfully in the global market. There are many opportunities and lot of projects in Indonesia especially in the area of infrastructure. The government is now far more business minded and many measures have been taken to make procedures simpler and to encourage foreigners to invest.

In order to be successful in Indonesia, you need to understand the culture, customs, religion as well as the labor laws and practices so that you are able to build trust and relationship in effectively delivering results.
